

HAWK'S CREW

Evans Starzinger and Beth Leonard have sailed more than 85,000 blue-water miles, many of them in high-latitude waters, over the last 13 years. Their voyages have been honored by the United Kingdom's Ocean Cruising Club, and the Cruising Club of America. They are frequent contributors to various sailing publications. Beth is the author of "The Voyager's Handbook" (\$40) and "Blue Horizons" (\$23) (both International Marine), a compilation of columns written for *Blue Water Sailing* magazine. The couple is currently sailing *Hawk* down the west coast of the Americas toward the Straits of Magellan.
