

# Fixed-mount VHF Radios

If you're in the market for a fixed-mount VHF radio to go with that antenna, check out the ones that topped our list of favorites during our 2005-06 testing in three categories: high-end (September 2005, update March 2006), mid-priced (December 2005), and under \$160 (July 15, 2005).

## **HIGH-END** (\$299 and up)

**Top Pick:** Icom 602M

**Best Buy:** Standard Horizon  
Quantum GX23605

## **MID-PRICED** (\$180-\$250)

**Top Pick:** Icom M422

**Best Buy:** Uniden UM525

## **INEXPENSIVE** (Under \$160)

**Top Pick:** Icom M302

**Best Buy:** Standard Horizon  
Quest GX1255S
