

## ***PRACTICAL SAILOR ONLINE***

**O**ur “Tools and Techniques” section, accessible via the button on the left hand column of our website [www.practical-sailor.com](http://www.practical-sailor.com), features a number of new postings retrieved from the archives that are just as relevant today. Among the topics addressed are: “Boatbuying: How Not to Be Taken in When Buying a Boat,” “A DIY Blister Fix,” and a *PS* Advisor on swageless rigging terminals. (See page 6 of this issue, as well.)
