

*The Tasco has a large back burner with a 10,000-BTU capacity. It is the only model tested without a glass oven door.*

*Boil times on the alcohol-fueled Origo were about the same as the propane cookers, but the oven results fell below the other models.*

*The only test stove with a porcelain-finished oven, the Seaward Princess was our Budget Buy.*

*Well-designed and well-constructed, the Force 10 was the testers' top pick.*
