

INTERIOR NOTES: FAR HARBOUR 39

*CON: No proper
chart table*

*PRO: Narrow hull
secure in seaway*

*PRO: Inside
steering with
good visibility*

*CON:
Limited
storage*

Photo by Billy Black

A wide-angle lens makes the Far Harbour 39 appear wider than it actually is. While the narrow living space imposes restrictions at anchor, the tight layout becomes an asset in a seaway. No matter where you are in the hull, there's a place to brace yourself. Not shown is the drop-leaf table in the production models.
